## Relax & Unwind With Mindfulness Yoga

Friday, October 25 | 5:00 PM – 5:50 PM

Clinical Theater 1

**Meditation With Mindfulness Movement**

This class begins with a combination of restorative Qi Gong movements and gentle yoga poses to calm the nervous system and loosen tension in the body. Basic meditation instructions will be given prior to a short meditation session. The overall focus will be on mindfulness of breath and body to develop awareness for everyday life.

Close out a long day at the conference with this relaxing, enjoyable experience!
